These were discussed.</p> <p>Sexuality Community Consultation - ideas for how this meeting will be facilitated have been explored - choosing a virtual forum. It is important that parents have the time to express their thoughts without being overshadowed by stronger voices. A measured sensible approach will be followed. The main key message will be "Everyone needs to know they belong".</p> <p>There was a lot of commentary that was not under the BOT responsibility and deferred to management.</p> <p>To resend the survey out prior to the end of the term to give more parents the opportunity to provide this valuable workplan feedback.</p> <p>Draft up a covering letter to be distributed again. Anne-Marie to arrange the redraft and liaise with the office to distribute.</p>
